

EquiSkill

Lean Canvas · GenAI Career Assistant · July 2026

PROBLEM

- GenAI skill training is **expensive/gated** behind bootcamps (\$500–\$5k+).
- Interview prep, resume writing, and job search are **fragmented** across paid tools.
- Professionals in **developing regions** lack free, high-quality AI mentorship.
- Learners don't know which GenAI skills employers actually want.

SOLUTION

6 INTEGRATED MODES

Tutorial Generator · Q&A · Interview Prep · Mock Interview · Resume Builder · Job Search

TECH STACK

Gemini · LangChain · FastAPI · Streamlit

KEY METRICS

- Weekly Active Users (WAU)
- Generations count per week
- GitHub stars & Docker pulls

UNIQUE VALUE PROPOSITION

The only *free*, all-in-one GenAI career toolkit — learn, practise, build a resume, and find a job, in one place.

No subscription. No signup.
Open-source & Self-hostable.
Aligned with **UN SDG 4**.

UNFAIR ADVANTAGE

- **5-model fallback** — near-zero downtime on free tiers.
- **Resume → Interview loop** — context-aware personal quizzes.
- **Live Tavily search** — fresh, un-stale tutorial data.

CHANNELS

GitHub Open-Source · Hackathons · LinkedIn/Twitter Devs · Tech Blogs · Docker Hub

CUSTOMER SEGMENTS

PRIMARY

Students, grads & devs targeting AI/ML roles.

SECONDARY

Career changers & emerging markets (India, SEA, Africa) with limited paid tools.

EXISTING ALTERNATIVES

Coursera / Udemy (paid) · ChatGPT (generic) · LinkedIn Learning · Resume.io

COST STRUCTURE

Fixed: Dev time (\$0 open-source) · Domain/hosting (~\$10-20/mo)
Variable: Gemini API (Free tier rotation) · Tavily (1k free req/mo)

REVENUE STREAMS

Current: Hackathon prizes / Grant funding · AI sponsorships
Future Path: Freemium hosted SaaS · B2B White-label licensing

Built in support of  **UN SDG 4 — Quality Education, Target 4.4**
